## Highlights

### Vancouver Film School

- Graduated with honours and was awarded "Class Leader"
- Won "Image of the Term" every term + one Overall Best Image of the Term  
IOTT is a selection of the best artwork created in a full term and instructors make the selection considering students their professionalism, work ethic and effort, participation in class, skill level and image appeal
- Was voted as Class Representative

### Centro Universitário Belas Artes de São Paulo

- Created various animated short films throughout the animation program with a group of friends (each term was a different medium) and few months after we graduated we were hired to create a proposal animation and the client was extremely satisfied! I was mainly responsible for storyboarding and character designs.
